If you are short on time, then you can start the game with only three classes. Additionally, you can earn more class skills by purchasing the additional classes in the marketplace. You may raise your class level in one of the four class advancement trees: Knight, Mage, Paladin, and Rogue. Class-based characters are made to be acquired and are intended for experienced players. For beginners, a predetermined path will be set up for you to advance. As a result, you will be able to acquire an efficient, high-end character that suits your play style, within the space of a few hours. Prepare yourself for a daring adventure by selecting your favorite class, gathering together a party to strengthen your bond, and setting forth into the vast world of the Lands Between! ♦Characteristics of Tarnished ■See what's hidden in the bottom of the dark and scary world of the Lands Between An all-new stage has been created, and the very bottom of the Lands Between is waiting to be discovered! There will be monsters who you cannot defeat, a route with rich puzzles, hidden items, and treasures. ■Easy to Use and Fun The Tarnished adventure is easy to play. You can obtain many items and develop your character, and it is possible to clear the dungeons in one playthrough. A New Adventure Beyond Your Wildest Dreams! Play a new game by advancing through the Lands Between. A new adventure awaits as you explore the Lands Between. ■About the Characters Class ■Developer So On Soft Co., Ltd. ■Platform PlayStation®4 ■Release Date Oct 24, 2019 ■Copyright © So On Soft Co., Ltd.
